| <b>Design:</b>            | „FALO“                                 | <b>Code:</b> | 3340 001 105 XX | <b>Size:</b> | 7, 8, 9, 10 |
| <b>Product, material:</b> | 60 % Cotton, 40 % Polyester. PVC dots. |              |                 |              |             |

These gloves are a simple personal protective aid designed **only for protection against minimum risks** the consequences of which may be expected soon enough by the user - small mechanical action whose effects are superficial. Weather conditions that are neither exceptional nor extreme nature. All-plastic (rubber) gloves also against cleaning materials of weak action and easily to annulment action (diluted detergent solutions, etc.). They are not suitable for welding or handling highly aggressive chemicals, sharp or hot items with the temperature exceeding 50 °C. Gloves should be protected against radiant heat and against impact of aggressive chemicals. Not resistant to soaking.

Requirements according to EN 420: Dexterity - model class: 5

After use remove gross dirt with a fine brush and leave the gloves freely laid at the room temperature.

*Attention:* Always use the correct size of gloves and check their condition before use. Never use damaged gloves.

They are designed for single or short-term use only.

**The gloves do not contain any known allergens. In spite of that, undesirable reactions of sensitive people can't be excluded. If skin irritation or allergic reaction do not use gloves and contact your doctor immediately.**

These products should be stored in a dry and well ventilated room. Excessive humidity, temperature, or intensive light may influence quality of gloves. The supplier doesn't provide guarantee for such damage.

The product is marked with CE symbol; it is compliant with EN 420.

The knitted elastic gloves are designed to fit tightly to hands; thus they don't have to meet the size requirements of the standard EN 420.

**Disposal:** The gloves should be disposed of in accordance with the Act on waste.

The Declaration of Conformity can be found here: [www.canis.cz](http://www.canis.cz); for individual products, in the bar "Documents to download".
